Cairo

Cairo is the capital city of Egypt. It is a very busy, noisy and crowded city. It is an important tourist destination in Africa. Cairo is a very interesting city because it has many archaeological sites nearby like the great pyramids. Tourists can ride camels, a typical animal of my country, on pyramid tours. In the market, tourists can buy many exotic crafts like lamps, rugs and antiques.

In my opinion, it is a very old-fashioned and disorganized city, but it is beautiful, especially near the Nile River.

9. Read the text again. Answer the questions.

A) What's the capital city of Egypt? _____

B) Is Cairo a peaceful place? _____

C) What do tourists do with Camels? _____

D) Where do people need to go to buy antiques? _____

E) In your opinion, is Cairo a modern city? Why? _____

F) Is your city similar to Cairo? Describe it. _____
